Mr. Kevin Strooband
Executive Director
Lincoln County Humane Society
Fourth Avenue
St Catharines, ON

Dear Mr. Strooband:

Recently, it has been brought to my attention that at present there exists a vacancy for one Director on the Board of Directors, Lincoln County Humane Society (LCHS). It is my wish to have my name submitted for consideration for filling this position on the Board of Directors.

I feel that I have a great deal to contribute to the future of LCHS and the animals in the care, custody and control of LCHS.

I have significant experience on a number of Boards as a Director, Chair and as an Executive Director, General Manager of an authorized Canadian Charity reporting to a Board of Directors. Having been on both sides of the board table I feel that I have the ability to understand and appreciate the many challenges and opportunities with which both sides are confronted on an ongoing basis.

My business background too is of potential advantage to LCHS. I have been involved in the Promotional Marketing and Advertising business for almost twenty years and as a result have dealt with numerous tier one companies in Canada. I possess extensive managerial skills, strong written and verbal communication abilities, unquestionable ethics and integrity.

Most recently I have been employed in an organization responsible for the rescue, rehabilitation and release of Ontario Wildlife which involved direct contact with numerous forms of our wonderful wildlife including bears, moose, deer, raccoons, otters, beavers to name just a few. This position rendered me responsible for all budgeting, fundraising, public speaking, promotion, employee relations, and the day to day management of a four hundred acre plus facility which housed twenty-two permanent animal residents and the rehabilitation of literally hundreds more throughout the year.

I can assure you that given the opportunity I shall commit to working towards the goals of the LCHS and to the well being of the animals in its care.

Please feel free to contact me for further discussion. It is my hope that you shall look kindly upon my request for appointment to the Board of Directors LCHS and look forward to you early reply.

Respectfully submitted,

Julia McLaren
